

**Walk a Mile in
Their Shoes**
Thursday, April 6, 2017
7:00 p.m.
Ram Cat Alley

Dear Friends:

This year, Foothills Alliance will host the **Walk a Mile in Their Shoes on Thursday, April 6, at 7 p.m. at Ram Cat Alley**. Men from across the county will walk a few blocks in women's shoes as a way to raise awareness about sexual violence and show support for survivors. Men, women, and children of all ages are invited to participate, individually or in teams. Sexual violence can happen to anyone.

The purpose is to raise community awareness about sexual assault and abuse and the free services that Foothills Alliance offers to survivors and their friends and family. It also will raise funds to support prevention education programs in Anderson and Oconee Counties.

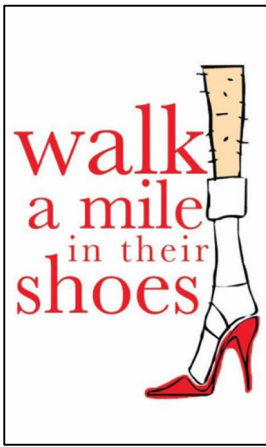

Foothills Alliance, founded in 1989 as the Foothills Rape Crisis Center, has been serving adult and child victims of sexual abuse for 28 years. We are the only sexual assault center for Anderson and Oconee Counties. "Working in collaboration with community partners, the mission of Foothills Alliance is to prevent sexual assault trauma and child abuse and neglect by providing education, advocacy, and treatment services in Anderson and Oconee counties." The organization successfully runs multiple programs, including: parent support groups, child abuse prevention and parent education, community and schools education and awareness programs, a 24 hour-7-days-a-week crisis hotline, emergency room advocacy for victims, an active and vital volunteer program, treatment and advocacy for sexually abused children, professional training for local agency personnel, and a full range of clinical services provided by masters'-level licensed counselors.

Your support is truly appreciated! We invite you to join us as a sponsor and/or participant for the Walk a Mile in Their Shoes. Your commitment will help to continue and strengthen the mission of Foothills Alliance, making our community a healthier and safer place to live. Please use the attached sponsorship and/or participant form.

Sincerely,

Tracy Bowie
